the explanation procedure and teaching orientation and approach in finding a solution to a particular problem.	we want more classes conducted by this teacher
Concepts which thought by Instructor are very clear.	I need more classes
your explanation is totally ok sir.	some students are in class have fear to ask questions. so, please try to concentrate on this.
good teaching very helpful	this kind of teaching is needed
Excellent classes.Way of teaching is very good.Sir is very helpful and we can ask doubts at any time.	No problems at all.
sir taught from the basics it really helped me to understand the basics of programming.....the pace is also good...	no
He is a very good teacher.He has the capability to explain even the difficult portions in a very simple way.Only because of him,we got a good base in programming.	nil
He always apply mathematical logic which i love very much.	We need more lectures.Nothing else
explanation is very good very dedicated very smart and good English explain in understandable way  some time class become confusing	he is very good very assertive ,strict,simple  need to be little bit friendly

He have thorough knowledge in subject and if anyone missed class lecture badly, definitely student will follow up through His lecture notes. Because he put each and every word and sentence in lecture notes.	Including more examples in class section and try to solve with students.
The course Principles of Programming was a very good course. Our instructor was very helpful and gave a full knowledge of the subject.	I dont think there were on short comings from instructor side.
class of teaching was awesome,puctuality is an impressive aspect	nothing
Sir is having great knowledge of the domain,very punctual ,helpfull and encouraging....He really know the trick to take out of any mess..	NO
